Oefening media-query

Smartphone (<768px)	 A browser window showing a responsive website on a smartphone screen. The page has a light blue background. At the top, it says "Media Query Demo". Below that is a paragraph of Lorem Ipsum text. Then another paragraph of Lorem Ipsum text. Below that is a section titled "Box Columns" which contains a single large image of a brown and white kitten looking at the camera.
Tablets (>=768px)	 A browser window showing the same website on a tablet screen. The layout is adjusted for the wider screen. The "Box Columns" section now contains two smaller images of the same kitten, side-by-side. Each image has a red caption below it that says "Place kittens are good".
Desktops (>=992px)	 A browser window showing the website on a desktop screen. The layout is further adjusted. The "Box Columns" section now contains five images of the kitten. Three are in the top row and two are in the bottom row. Each image has a red caption below it that says "Place kittens are good".
